**INVITATION FOR BID NO. GSA/PAG-006-17
SAFETY PARTS AND SUPPLIES FOR TOP LOADER**

March 7, 2017

Questions submitted by Mid Pac Far East dated February 14, 2017 and received by GSA on February 14, 2017 at 2:36 PM

Inquiry 1: Requests that that requirements for brochures and literature be removed from the bid specifications under special reminder to prospective bidders

Response: The requirement for brochures and literature will remain unchanged as it is necessary for bid specifications analysis.

Inquiry 2: MPFE would like to clarify part numbers requested for buy end user on line items 47. Outer Air Filter 1456800, and 48. Inner Air Filter P777869. Based on MPFE cross reference data both of the numbers are the same which comes up as the secondary air filter element. MPFE would like to request for the actual primary air filter part number to ensure proper parts are quoted.

Response: Parts in question are from the 2009 Hyster Top Lifter Customer Parts catalog page 2-36 item# 4 P/N: 1456800 and item#3 P/N: 1456804, and are the primary air filter part numbers not secondary air filter element part numbers.

Questions submitted by Morrico Equipment dated February 17, 2017 and received by GSA on February 17, 2017 at 4:28PM

Inquiry 1: Item #43 part number S1-024002 Electro Valve- part number is invalid. Please re-check the part number and confirm the correct part number. Please also provide a picture showing location of the valve. Please provide the serial number for the unit.

Response: See Amendment #3

Inquiry 2: Morrico request to extend the delivery lead time from 30 calendar days to 45 calendar days after receipt of the purchase order. Factory current availability of parts is subject to change depending on when the purchase order will be released by the General Service Agency.

Response: See Amendment #3
